**NOTICE TO ATTORNEYS**

No. 08-01

September 16, 2008

The Judiciary's privacy policy restricts the publication of certain personal identifiers in documents filed with the Court. Rule 9037 of the Federal Rules of Bankruptcy Procedure implements this policy as required by § 205(e)(3) of the E-Government Act of 2002. Rule 9037 limits Social Security, taxpayer-identification, and financial account numbers to the last four digits; using only initials for the names of minor children; and limiting dates of birth to the year. Do not elicit testimony which includes personal identifiers unless absolutely necessary. If such testimony is elicited during court proceedings, it is the sole responsibility of the attorneys and *pro se* parties to request relief under Rule 9037.
